Overview

Administrators and moderators can designate certain users as subject matter experts (SMEs). Their answers and Articles will then show as having been written by a person with extensive knowledge of a given topic.

When a SME answers a question, Stack Overflow for Teams adds "Answer from a subject matter expert" above their answer.

When a SME writes an article, Stack Overflow for Teams adds "Article authored by a subject matter expert in [tag]" to the top of the article.

The Stack Overflow for Teams Tags page holds information on SMEs as well as tags. To access the Tags page, click **Tags** in the left-hand menu.

Tags

A tag is a keyword or label that categorizes your question with other, similar questions. Using the right tags makes it easier for others to find and answer your question.

All
No SME assigned

Name ↕	Usage Guidance	Posts ▼	Watchers	SMEs	Date created ↕	
python	Questions pertaining to python development and programming.	608	23	0 SMEs	11/28/2017	⋮
NodeJS	Questions pertaining to NodeJS development and programming.	608	16	0 SMEs	4/19/2022	⋮
MVC Design	All about model, view, controller web development.	33	12	1 SMEs	3/13/2019	⋮
SQL	Questions on Structured Query Language (SQL), all types.	23	19	3 SMEs	11/28/2017	⋮
sales engineering	For all topics related to sales engineering & no sales	15	21	0 SMEs	2/11/2021	⋮

The Tags page shows how many SMEs each tag has (if any). To see the SMEs for a given tag, click its **SMEs** link. The tag's subject matter experts page appears, showing the SMEs and how many questions they've answered in the last month. Click any SME name to see their profile and activity pages.
