## Overview

Stack Overflow for Teams offers a Your [year] Stacked page to celebrate your team's contributions and impact over the previous calendar year. This Stacked retrospective page highlights a year's worth of achievements in a visually engaging way.

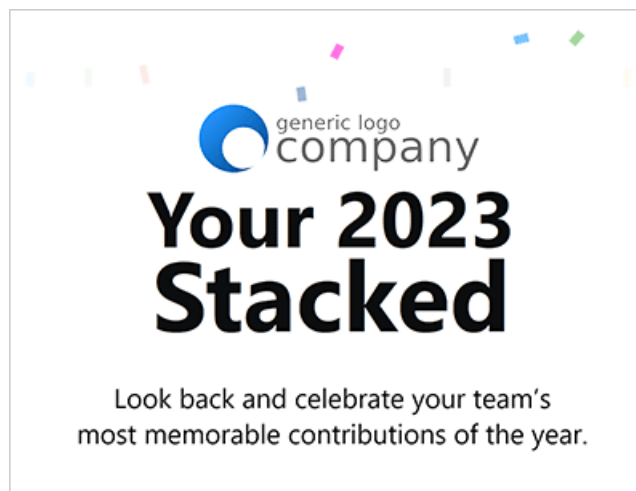

Your users can access the Your [year] Stacked page at [https://\[your\\_site\]/your-\[year\]-stacked](https://[your_site]/your-[year]-stacked). For example:

**Stack Overflow for Teams Free, Basic, Business example URL**

<https://stackoverflowteams.com/c/yourteam/your-2023-stacked>

**Stack Overflow for Teams Enterprise example URL**

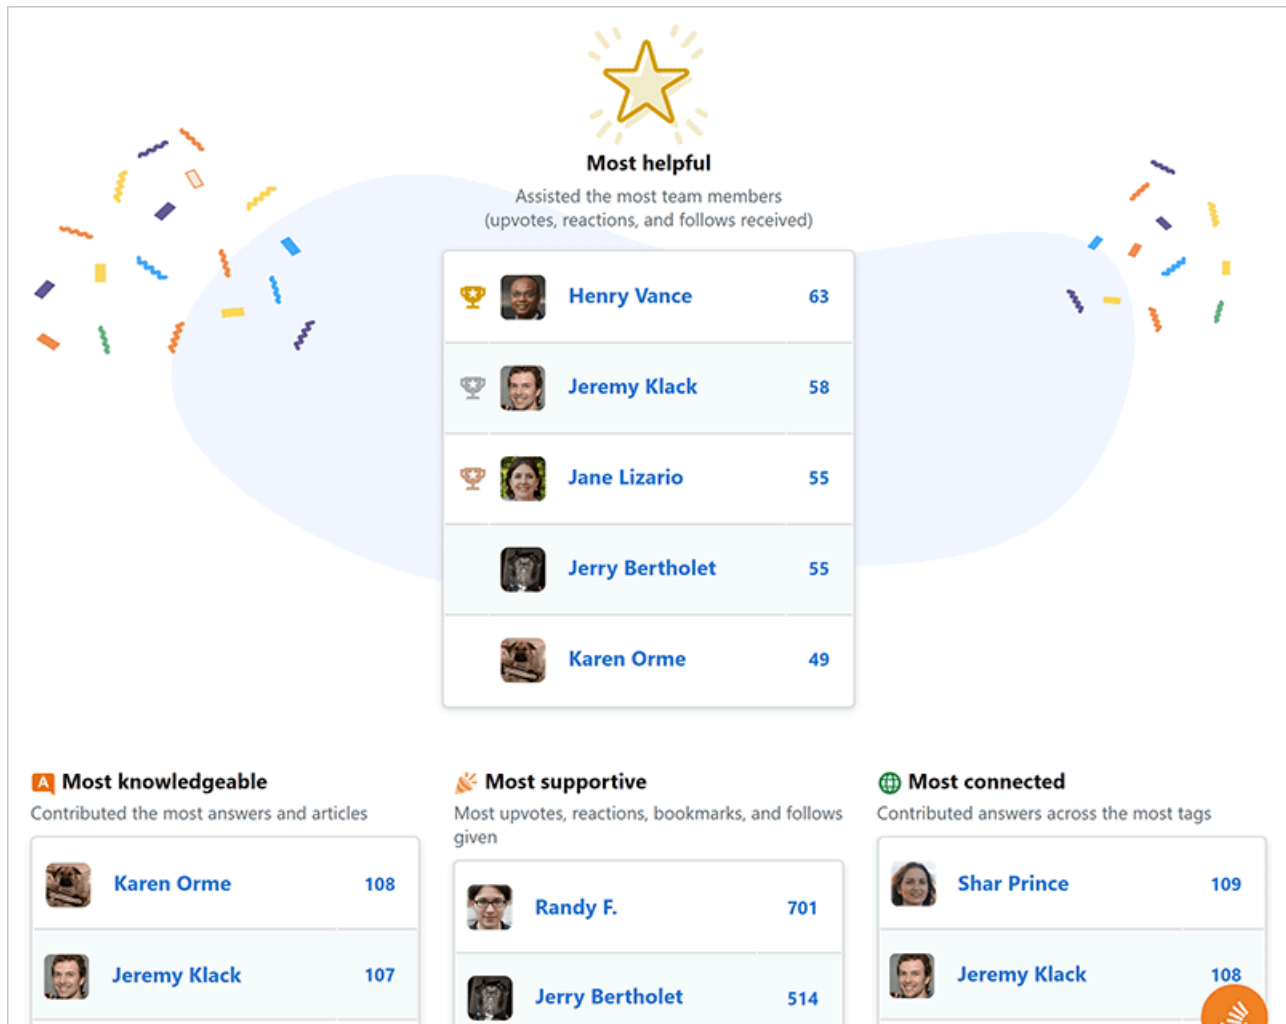

<https://yourcompany.stackenterprise.com/your-2023-stacked>

The page has two main sections, one recognizing individual contributors and the other spotlighting the most popular content.

## Top contributors

The retrospective page includes a "Top contributors" section.

Top contributors categories include:

**Most helpful** The users who received the most upvotes, reactions, bookmarks, and follows on their posts (questions, answers, and Articles) from unique users during the year.

**Most knowledgeable** The users who wrote the most answers and Articles during the year.

**Most supportive** The users who gave the most upvotes and created the highest number of reactions, bookmarks, and follows during the year.

**Most connected** The users who wrote answers across the highest number of distinct tags during the year.

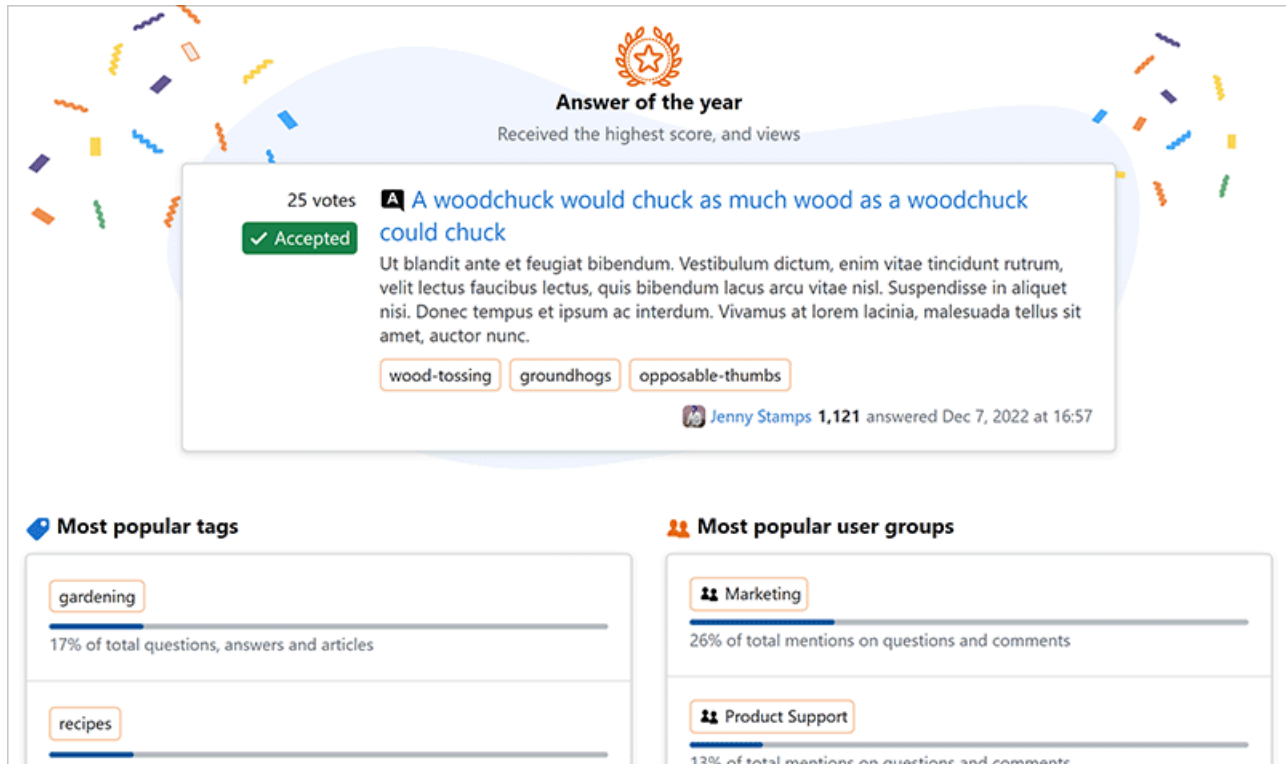

**Most dependable** The users who logged in the highest number of times during the year.

**Most curious** The users who asked the highest number of questions during the year.

**Most attentive** The users who reviewed the highest number of questions and Articles in the Content Health Review queue.

# Popular contributions

The retrospective page also includes a content-focused "Popular contributions" section.

Popular contributions categories include:

**Answer of the year** The active answer with the highest number of total votes (upvotes and downvotes), follows, and views during the year.

**Most popular tags** The most-used tags across all questions, answers, and Articles during the year.

**Most popular user groups** The most popular user groups based on the number of times they were mentioned in questions and comments during the year.

**Most popular questions** The most popular questions based on the number of views, votes, bookmarks, and follows during the year.

**NOTE:** Your SOE site will have a Your [year] Stacked page only if it meets all of the following criteria for the previous year:

- At least **90 days old**
- At least **25 questions**
- At least **five articles**
- At least **five answers**
- At least **six activated users**
- At least **10 upvotes, reactions, bookmarks, and follows by at least three unique users**
