Overview

Stack Overflow for Teams Enterprise (SOE) includes a Your [year] Stacked page to celebrate your users' contributions and community impact over the previous calendar year. This Stacked retrospective page goes beyond the dashboard to highlight a year's worth of achievements in a visually engaging way.

Your users can access the Your [year] Stacked page at [https://\[your_site\]/your-\[year\]-stacked](https://[your_site]/your-[year]-stacked).

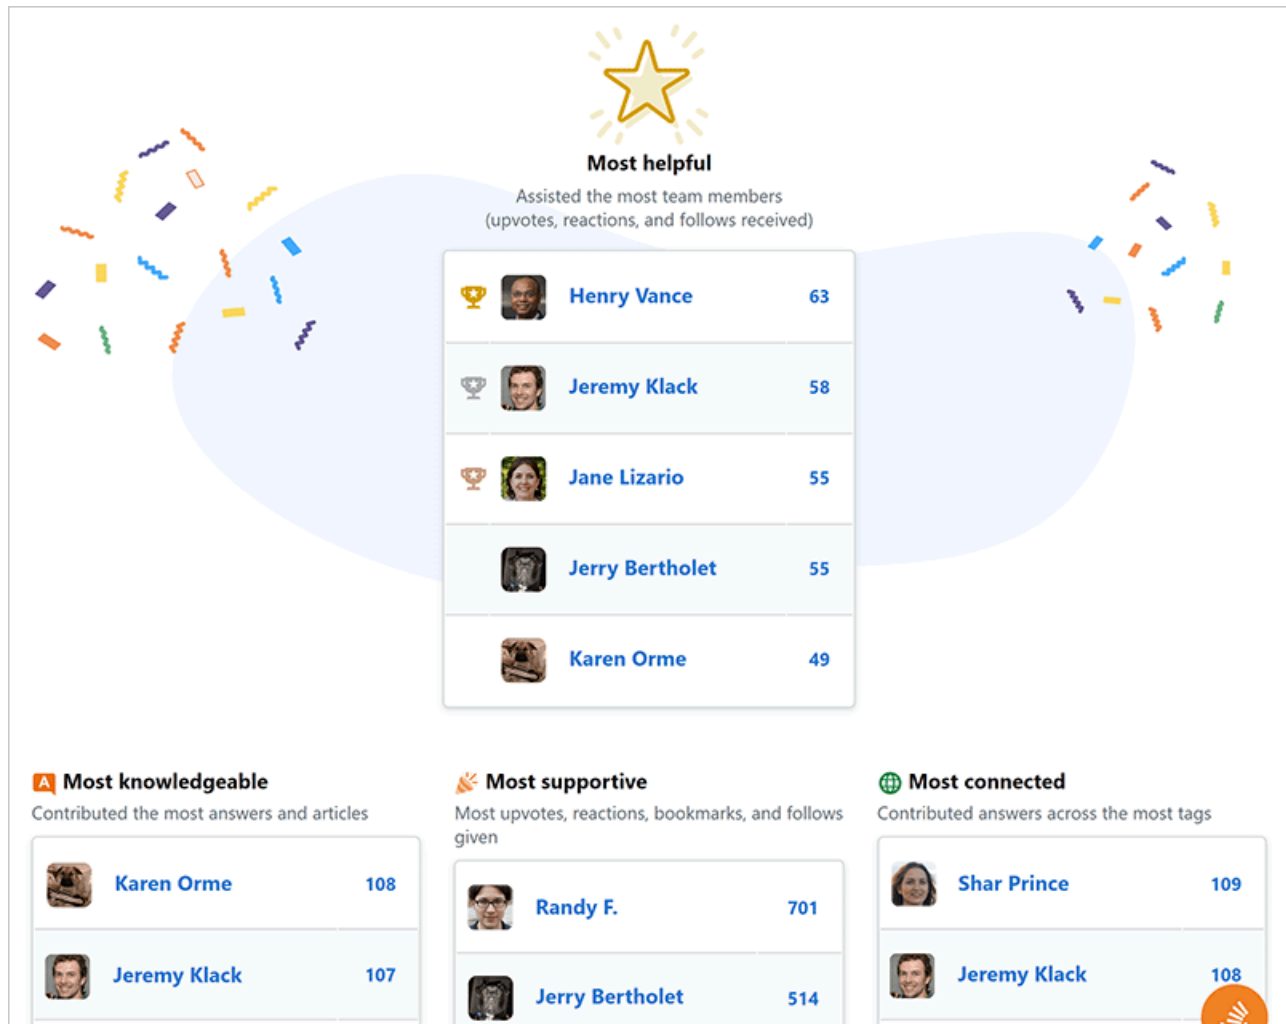

For example: <https://yourcompany.stackenterprise.com/your-2023-stacked>.

The page has two main sections, one recognizing individual contributors and the other spotlighting the most popular content.

Most attentive The users who reviewed the highest number of questions and Articles in the Content Health Review queue.

Popular contributions

The retrospective page also includes a content-focused "Popular contributions" section.

The screenshot displays a 'Stacked' page layout. At the top center is a star icon with the text 'Answer of the year' and 'Received the highest score, and views'. Below this is a large white box containing an accepted answer: 'A woodchuck would chuck as much wood as a woodchuck could chuck'. The answer has 25 votes and is marked as 'Accepted'. It includes a placeholder text paragraph and three tags: 'wood-tossing', 'groundhogs', and 'opposable-thumbs'. The user 'Jenny Stamps' is credited with 1,121 answers on Dec 7, 2022 at 16:57. Below the answer box are two sections: 'Most popular tags' featuring 'gardening' (17% of total questions, answers and articles) and 'recipes'; and 'Most popular user groups' featuring 'Marketing' (26% of total mentions on questions and comments) and 'Product Support' (13% of total mentions on questions and comments).
